APPLICATION FOR WATER SURFACE USE PERMIT

To Place a raft, buoy, or other structure on or in the waters of this county pursuant to MN Rules 6110.1800

Name: _____ Home phone: _____ Cell _____

Address: _____ Work Phone: _____ Fax: _____

_____ Zip Code: _____

E-Mail: _____

Body of water where structure will be located: _____

Type of structure: _____

Installation of structure (dates) _____ to _____

Permit requirements:

1. Diagram of water surface showing placement of structure, include the depth of the water at the location of the structure.
2. Permit must be issued before structure is placed on or in the water.
3. Floating rafts, swim buoys and mooring buoys must be placed between the permit holder's property lines as they extend into the water. These structures must be within 100 feet of shore.
4. Structure must display proper reflective material as described in MN State Rule 6110.1800.
5. Permit number must be displayed on the structure using numbers that are at least two inches high and a contrasting color to the area where they are attached.
6. Water ski slalom courses and water ski jumps must be approved annually by the City Council or Township Board where the course will be located, special restrictions may apply. Slalom courses cannot exceed 900 feet in length and must display the permit number on the end floats. Slalom courses and ski jumps cannot be a navigational hazard. Water ski jumps must be lighted during the hours of darkness.
